

# HEALTH OCCUPATION PROGRAMS

Thank you for your interest in Tennessee Technology Center at Dickson! To apply for our health occupation programs, **YOU MUST FIRST ATTEND AN INFORMATION SESSION.** This is the first stage of getting into the program desired. All of our health occupation programs are 12 months in length, therefore applications are only accepted once a year and are handed out at the information sessions. Please call us in the month listed below to find out exact dates and time of the information sessions.
